

MASS. APPEAL IN MASSACHUSETTS

If religious freedom is important to you, then move to...

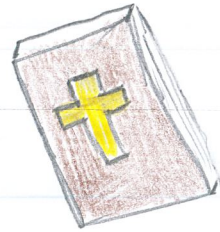

- Let God into your lives
- Learn the land with help from friendly natives
- Help create the foundation of a New World built for the glory of God

Mr. Schur

In 1620, a small group of brave Pilgrims sailed to the New World. With help from the native people, these men and women established New Plimouth to the glory of God.

Now, 10 years later, a **Great Migration** is taking place.

Join us in Plimouth and Boston and help us create a shining city upon a hill to serve as an example of how wonderful life can be when all thoughts, words, and deeds are guided by the Hand of Almighty God.

God's Word guides us to a righteous life.

Native Americans have taught settlers how to make the most of this beautiful land.
